941

Circular dated 22nd September 1950.

New Business General.

To

The Agents and Examining Medical Officers of the Department.

No. 236. It has come to the notice of the Department that instances of Examining Medical Officers going outside their jurisdiction to examine proposers are on the increase in spite of express instructions from this Department to the effect that previous permission should be obtained in all such cases. There is little justification for this procedure as it would trench upon the legitimate jurisdiction of local Examining Medical Officers for no valid reason whatsoever.

Further, if a re-examination at the hands of the jurisdiction Examining Medical Officer should become necessary for some reason or other, the inconvenience, delay and expense involved are unnecessary and avoidable and it may even result in the loss of the proposal altogether.

The Agents who will be parties to the practice under reference cannot also be absolved from blame as they happen to be primarily responsible for the same and they are not only liable to lose such cases by virtue of their being treated as Independent but their accounts would be debited with the Examining Medical Officer's fees.

B. M. KRISHNAN,
Secretary.
